

Gun Cleaner

Description:

Ready to use cleaner.

Use:

Removal of non-cured IKO pro PU Adhesive, Fix gun, Sprayfast and Activator Canister, both in and on tools.

Sizing and palletization:

500mL spray (item number 02401495)

Storage:

3 years in the hermetically sealed packaging, when stored in a dry, cool and frostfree place.

Partly used containers may be resealed and used again after correct storage.

To avoid the risk of spillage, always store and transport in a secure upright position.

Colour:

Transparent

Application:

1. IKO pro Fix gun

Remove the spray IKO pro Fix gun from the gun and hold the gun trigger down to remove any foam residues.

Screw IKO pro Gun Cleaner to the gun and hold the trigger of the gun several times after each other down.

2. IKO pro Sprayfast and Activator Canister

Completely close the valve of the pressurised canister and if the hose is still connected to the canister, disconnect it.

Connect the IKO pro Sprayfast Valve connector to the pressurised canister. Connect the hose and gun to the connector. Screw IKO pro Gun Cleaner to the connector.

Open the gun valve. Point the gun on a trash bag and hold it down so that the hose and gun are thoroughly rinsed and cleaned.

Certificates:

Productie ISO 9001 & 14001
